SUBJECT INDEX, VOLUME 122

- Acer pensylvanicum*, herbivore fauna 313
Allocreadium lobatum, population biology in fish 236
Ambystoma spp. embryonic development and temperature tolerance 401
Andropogon scoparius, effects of burning 88
Arius felis, inertial guidance 183
- Bartram, William, significance to American ichthyology 214
Behavior, cadence of birdsong 298
courtship and spawning in smallmouth bass 209
courtship and temperature in wolf spider 281
food hoarding by least shrew 26
inertial guidance in sea catfish 183
maternal of panther 34
social grooming in white-tailed deer 357
Biogeography, genetic diversity and parthenogenesis in *Daphnia* 59
Omernik's Ecoregions 163
Birds, communication and cadence of song 298
- California, germination characteristics of oaks 66
postfire demography of *Thermopsis macrophylla* 120
Carcinoma, renal in *Rana pipiens* 307
Castor canadensis, lodge-site selection 408
Cervales scotti, records for Ohio 349
Connecticut, effects of burning on big bluestem 88
Cryptotis parva, food hoarding 26
- Daphnia pulex*, genetic diversity and parthenogenesis 59
Drosophila spp. sibling species in Mexico 249
- Ecology, animal, beaver nest-site selection 408
discrimination of infested acorns by squirrels 412
earthworms and land use in Kentucky 288
fish assemblages in streams 162
food hoarding by least shrew 26
forest inhabiting Lepidoptera 262
herbivore fauna of striped maple 313
host plant exploitation by butterfly 255
morphologic variation in shrews 11
population biology of *Allocreadium lobatum* 236
population of eastern harvest mouse 1
prey selection and foraging of least weasel 394
reproductive investment of redbelly snake 51
small mammal recolonization of volcano 365
small mammals in waste-water treated mixed-oak forest 388
- Ecology, plant, biomass distribution in understory plants 114
burning effects on big bluestem 88
fire effect on insects of sand prairie 151
fire effect on oak savanna 103
germination characteristics of oaks 66
invasion of dry sites by white pine 133
postfire demography of *Thermopsis macrophylla* 120
rock outcrop vegetation 339
seed dormancy in *Panicum virgatum* 77
Elaphrothrips tuberculatus, mating patterns 142
Enoplognatha ovata, color polymorphism 199
Evolution, color polymorphism in spider 199
reproductive isolation in *Limenitis* 275
- Felis concolor*, maternal behavior 34
Fish, assemblages in streams 163
courtship and spawning in smallmouth bass 209
inertial guidance in sea catfish 183
life history of Arkansas River shiner 228
population biology of parasite in chub 236
reproduction of mooneye 204
significance of Wm. Bartram to ichthyology 214
Florida, panther maternal behavior 34
- Genetics, allozyme variation in *Pteronarchys proteus* 242
Georgia, social grooming in white-tailed deer 357
- Hiodon tergisus*, reproduction 204
Hispaniola, lizard thermal behavior 44
- Illinois, courtship behavior of wolf spider 281
insects on sand prairie 151
population biology of *Allocreadium lobatum* 236
Indiana, vegetation of flatwoods and barrens 329
Insects, abundance and biomass in sand prairie 151
age and genic differentiation in *Pteronarchys proteus* 242
attractiveness of *Trillium* diaspores to ants 321
Drosophila sibling species in Mexico 249
forest inhabiting Lepidoptera 262
herbivore fauna of striped maple 313
host plant exploitation by *Pieris virginensis* 255
mating patterns of thrips 142
reproductive isolation in *Limenitis* 275
- Invertebrates (other than insects), color polymorphism in spider 199
courtship behavior and temperature on wolf spider 287
earthworms in Kentucky 288
genetic diversity and parthenogenesis in *Daphnia* 59
life history of *Leptoxis dilatata* 193
- Kentucky, land use and exotic earthworms 288
- Leiocephalus schreibersi*, thermal ecology 44
Leptoxis dilatata, life history 193
Limenitis spp., reproductive isolation 275
- Mammals, beaver nest-site selection 408
discrimination of infested acorns by squirrels 412
ecology eastern harvest mouse 1
elk-moose paleontology 349

- food hoarding by least shrew 26
 maternal behavior of panther 34
 morphologic variation in shrews 11
 prey selection and foraging of least shrew 394
 small mammal recolonization of volcano 365
 small mammals in mixed-oak forest 388
 social grooming in white-tailed deer 365
 Mexico, *Drosophila* sibling species 249
 Michigan, invasion of white pine 133
 mating patterns of thrips 142
Micropterus dolomieu, courtship and spawning 209
 Migration, inertial guidance in sea catfish 183
Mustela nivalis, prey selection and foraging 394
Myrmica punctiventris, attractiveness of *Trillium*
 diaspores 321
 New Mexico, life history of introduced Arkansas
 River shiner 228
 reproductive isolation in *Limenitis* 275
 New York, attractiveness of diaspores to ants 321
 reproductive investment of the redbelly snake 51
Notropis girardi, dispersal and life history when
 introduced 228
Odocoileus virginianus, social grooming 357
 Ohio, *Cervantes scotti* record 349
 host plant exploitation by *Pieris virginianensis* 255
 Oklahoma, rock outcrop community 339
 Ontario, courtship and spawning in smallmouth
 bass 209
 embryonic development and temperature
 tolerance in *Ambystoma* 401
 seed dormancy in *Panicum virgatum* 77
 Paleocology, *Cervantes scotti* record 349
Panicum virgatum, seed dormancy 77
 Parasites, population biology of *Allcreadium*
 lobatum 236
 Pennsylvania, small mammal community in
 mixed-oak forest 388
 Physiology, animal, *Pieris virginianensis*, host plant
 exploitation 255
 temperature tolerance of salamanders 401
 thermal ecology of lizard 44
Pinus strobus, invasion of dry sites 133
Pteronarchys proteus, age and genic differentiation 242
Quercus spp., germination characteristics 66
 savanna 103
Quercus nigra, discrimination of infested acorns
 by squirrels 412
Quercus stellata, in flatwoods and barrens 329
Rana pipiens, renal carcinoma 307
Reithrodontomys humilis, population ecology 1
 Reproduction, germination of oaks 66
 mating of thrips 142
 mooneye 204
 redbelly snake 51
 seed dormancy in *Panicum* 77
 Reptiles, reproduction of redbelly snake 51
 thermal behavior of lizard 44
 Salamanders, embryonic development and
 temperature tolerance 401
Schizocosa rouneri, courtship behavior and
 temperature 281
Sciurus carolinense, discrimination of infested
 acorns 412
Semotilus atromaculatus, population biology of a
 parasite in 236
Sorex cinereus and *S. fumeus*, morphologic
 variation 11
 South Dakota, beaver nest-site selection 408
Storeria occipitomaculata, reproductive investment 51
 Tennessee, discrimination of infested acorns by
 squirrels 412
 reproduction of mooneye 204
 Texas, food hoarding by least shrew 26
Thermopsis macrophylla, postfire demography 120
Trillium spp., attractiveness of diaspores to ants 321
 Virginia, ecology of eastern harvest mouse 1
 herbivore fauna of striped maple 313
 prey selection and foraging of least weasel 394
 Volcano, small mammal recolonization 365
 Washington, small mammal recolonization of
 volcano 365
 Wastewater irrigation, in mixed-oak forest 388
 West Virginia, age and genic differentiation in
 Pteronarcys proteus 242
 life history of *Leptoxis dilatata* 193
 Wisconsin, fish assemblages in streams 163
 oak savanna 103

CONTENTS

No. 1, July 1989

The Population Ecology of the Eastern Harvest Mouse (<i>Reithrodontomys humulis</i>) in Southeastern Virginia	J. Michelle Cawthorn and Robert K. Rose	1
Morphologic Variation in the Masked Shrew (<i>Sorex cinereus</i>) and the Smoky Shrew (<i>S. fumeus</i>)	James A. Huggins and Michael L. Kennedy	11
Food Hoarding by the Least Shrew (<i>Cryptotis parva</i>): Intersexual and Prey Type Effects	Daniel R. Formanowicz, Jr., Patrick J. Bradley and Edmund D. Brodie, Jr.	26
Early Maternal Behavior in the Florida Panther (<i>Felis concolor coryi</i>)	David S. Maehr, E. Darrell Land, Jayde C. Roof and J. Walter McCown	34
Thermal Ecology of the Tropical Iguanid Lizard, <i>Leiocephalus schreibersi</i>	Dale L. Marcellini and Thomas A. Jenssen	44
Allocation of Reproductive Investment in the Redbelly Snake <i>Storeria occipitomaculata</i>	E. D. Brodie III and Peter K. Ducey	51
Geographical Patterns in Genetic Diversity and Parthenogenesis within the <i>Daphnia pulex</i> Group from the Southern United States	Paul D. N. Hebert, Steven S. Schwartz and Lawrence J. Weider	59
Germination Characteristics of Selected California Oak Species	Kozue Matsuda and Joe R. McBride	66
Seed Dormancy of <i>Panicum virgatum</i> L. on the Shoreline Sand Dunes of Lake Erie	Jianhua Zhang and M. A. Maun	77
Effects of Prescribed Burning on <i>Andropogon scoparius</i> in Postagricultural Grasslands in Connecticut	William A. Niering and Glenn D. Dreyer	88
An Unusual Oak Savanna in Northeastern Wisconsin: The Effect of Indian-caused Fire	Cheryl H. Dorney and John R. Dorney	103
Distribution of Dry Mass Between Shoot and Root in Nine Understory Species	Jon K. Piper	114
Postfire Demography of <i>Thermopsis macrophylla</i> H.A. var. <i>agnina</i> J. T. Howell (Fabaceae), a Rare Perennial Herb in Chaparral	Mark Borchert	120
Repeatability of Invasion of Eastern White Pine on Dry Sites in Northern Lower Michigan	Terry L. Sharik, Robert H. Ford and Martha L. Davis	133
Variable Selection and Size-related Mating Patterns in Natural Populations of <i>Elaphrothrips tuberculatus</i> : A Path Analysis	Bernard J. Crespi	142
Numbers and Biomass of Selected Insect Groups on Burned and Unburned Sand Prairie	Roger C. Anderson, Theresa Leahy and Shivcharn S. Dhillon	151
Correspondence Between the Distribution of Fish Assemblages in Wisconsin Streams and Omernik's Ecoregions	John Lyons	163
Evidence for Use of Continuous Angle Compensations as a Mechanism for Inertial Guidance by Sea Catfish <i>Arius felis</i>	Craig W. Steele	183
The Life History of <i>Leptoxis dilatata</i> (Conrad) (Prosobranchia: Pleuroceridae) from the Laurel Fork River, West Virginia	Christine A. Miller-Way and Carl M. Way	193
Notes and Discussion		
Color Polymorphism in the Spider <i>Enoplognatha ovata</i> (Araneae: Theridiidae): Broad-scale Morphofrequency Variation in Northeastern North America	Paul R. Reillo	199
Contributions to the Reproductive Biology and Early Life Ecology and Mooneye in the Tennessee and Cumberland Rivers	Robert Wallus and Johnny P. Buchanan	204
Obituary Notice		208
Erratum		208

CONTENTS

No. 2, October 1989

Courtship and Spawning Behavior in Smallmouth Bass (<i>Micropterus dolomieu</i>)	Mark S. Ridgway, Greg P. Goff and Miles H. A. Keenleyside	209
--	---	-----

The Significance of William Bartram (1739-1823) to North American Ichthyology	214
Dispersal and Life History Traits of <i>Notropis girardi</i> (Cypriniformes: Cyprinidae), Introduced into the Pecos River, New Mexico	228
Population Biology of <i>Allocreadium lobatum</i> (Trematoda: Allocreadiidae) in <i>Semotilus atromaculatus</i>	236
Age Class and Population Genic Differentiation in <i>Pteronarcys proteus</i> (Plecoptera: Pteronarcyidae)	242
Species Abundance, Viability, Desiccation Resistance and Dispersal of Sibling <i>Drosophila</i> Species from Laguna Verde, Veracruz, Mexico	249
Host Plant Exploitation by an Oligophagous Population of <i>Pieris virginensis</i> (Lepidoptera: Pieridae)	255
Life-history Traits of Forest-inhabiting Flightless Lepidoptera	262
Genetic Evidence for Reproductive Isolation between Hybridizing <i>Limenitis</i> Butterflies (Lepidoptera: Nymphalidae) in Southwestern New Mexico	275
The Effect of Temperature on the Courtship Behavior of the Wolf Spider <i>Schizocosa roveri</i> (Araneae: Lycosidae)	281
Land-use History and the Occurrence of Exotic Earthworms in the Mountains of Eastern Kentucky	288
Communication and the Cadence of Birdsong	296
Are Renal Carcinomas Increasing in <i>Rana pipiens</i> after a Decade of Reduced Prevalence?	307
Seasonal Diversity and Abundance of the Herbivore Fauna of Striped Maple <i>Acer pensylvanicum</i> L. (Aceraceae) in Western Virginia	313
Variation in Attractiveness of <i>Trillium</i> Diaspores to a Seed-dispersing Ant	321
Vegetation and Environment in Adjacent Post Oak (<i>Quercus stellata</i>) Flatwoods and Barrens in Indiana	329
Vegetation-environment Relationships in a Rock Outcrop Community in Southern Oklahoma	339
New Records of the Elk-moose <i>Cervales scotti</i> from Ohio	349
Patterns of Social Grooming in Adult White-tailed Deer	357
Small Mammal Recolonization on the Mount St. Helens Volcano: 1980-1987	365
Small Mammal Communities in a Mixed-oak Forest Irrigated with Wastewater	388
Prey Selection and Foraging Characteristics of Least Weasels (<i>Mustela nivalis</i>) in the Laboratory	394
Embryonic Development and Temperature Tolerance in Diploid and Polyploid Salamanders (Genus <i>Ambystoma</i>)	401
Notes and Discussion	
Factors Influencing Beaver Lodge-site Selection on a Prairie River	408
Experimental Test of Discrimination by Squirrels for Insect-infested and Noninfested Acorns	412
Statement of Ownership	416
Author Index, Volume 122	417
